- › Table tent cards
- › Table-Not-In-Use barricade tape
- › Uniforms
- › Vinyl banners

Prepare to safely bring back employees

As companies start to reopen, it's important to make sure your business is prepared. It is recommended that people continue to follow the following practices to ensure a safe and smooth transition:

- › Social distancing (specifically, staying 1.5 meters away from others when you must go into a shared space)
- › Frequently washing hands or use alcohol-based (at least 70% alcohol) hand sanitiser when soap and water are not available
- › Wearing cloth face coverings
- › Avoiding touching eyes, nose, and mouth
- › Staying home when sick
- › Cleaning and disinfecting frequently touched objects and surfaces

We have a variety of products that will help you follow these guidelines, and they can even be branded to your business to encourage camaraderie amongst employees and your surrounding community.
